Re: *Pacific Green Trucking Inc.*

Dear Mr. Cowen:

As you will recall, I am counsel to the International Brotherhood of Teamsters (IBT), Charging Party in this case. Enclosed please find a charge directed against Pacific Green Trucking Inc. A copy has been served on the employer.

The charge alleges Pacific Green Trucking violated the Act by engaging in various coercive activities, including interrogating workers regarding their union activities, and terminating its employee Ricardo Colindres in retaliation for his concerted protected activities and support for the Teamsters.

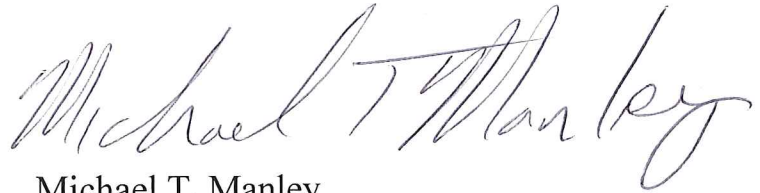

Please note that while many charges the IBT has previously filed on behalf of Port drivers have involved the issue of employee status. However, in this case, there is no dispute that Pacific Green drivers are employees under the Act.

Please have your agent contact me when he/she is ready to begin investigating the charge.
